## RADISHES

Available: May—October

Pick radishes when the roots are up to 1 and 1/4" inches around. Take the tops off the radishes. Keep them cold and moist. Radishes will spoil after about one month.

### Ingredients:

- 4 cloves garlic, peeled
- 6 radishes, quartered
- 2 (8 ounce) packages cream cheese, softened

Place garlic in the container of a food processor, and pulse until finely minced. Add radishes, and mince. Add cream cheese, and mix until well blended. Transfer to a serving dish, and chill until serving.
